## Ode to My Bed by Ethan Sparck

Oh, comfy and cozy bed,  
Your wicked comfort,  
and tempting rest,  
The dreams and  
rest that manifest,  
Like tundra your,  
Comfort finds me  
Recollecting my favorite  
Memories of berry  
Picking while wrapt  
In my sheets,  
When I'm in  
Bed I think as if im  
Making a sandwich,  
Between the bed  
And my blankets,  
I feel the bread  
Under and over me,

During my game  
Nights your despicable  
Urge pulls me in for an  
Unspoken feeling of  
frolicking with my Friends,  
If Aphrodite existed,  
I would have insisted,  
That her incredible  
Curse of love,  
Struck my unconditional  
And Undivided longing  
For my bed,  
Oh, comfy and cozy bed,  
My rest continues,  
Until I rest no more.
