**November 2nd – 3:00–7:00 – Parent-Teacher Conferences**

# Alaska Excel Career Ready

By Lucian Hoover/READY

LKSD high school students attended Alaska Excel at Alaska Pacific University Atwood Center from September 7th through 14th.

LKSD high school students can apply for Alaska Excel any time before the application is due. Even students from interior Alaska like Tanana, Scammon Bay, Crooked Creek, and even Upper and Lower Yukon are able to attend excel. I made friends that are from Crooked Creek, Tanana, and Northern Alaska people. This program helps students find their future careers, or careers that are best suited for their interests.

**Students interested in future Excel Career Ready events should contact BRHS's counselor, Mrs. Bernard.**

## BRHS Upward Bound Club

The BRHS Upward Bound Club hosted its first DRONE FEST. The Warrior Update, our student-produced podcast, is in production and will be released in the next two weeks. Five student leaders are traveling to Anchorage for T3 Statewide Camp October 20-23. We have also acquired new mascots in Guppy and Tyrone, the fish that power our Aquaponics system. Talesha Phillips has taken the lead on this project. Shout out to all the student members and leaders. Upward!

## Air Jazz at BRHS

Last week, LKSD and the Southwest Alaska Arts Group sponsored Arias, also known as AirJazz, who worked with students in several schools during the week and performed at the Movie Theater Thursday night. He spent three days at BRHS working with band, choir, art, and Yup'ik students. In band and choir, he focused on creativity and musical improvisation. Some students performed an original song with him at an all-school assembly. Students enjoyed working with him.

## Warrior Updates

For ongoing updates and additional information, go to BRHS's Website, <https://brhs.lksd.org/>, or our Facebook page, <https://www.facebook.com/BRHSWarriors/>
